SHARING DAY

Let's grow together at Limborough Hub! Wen is organising a day to celebrate the local growing community and to share vegetable seedlings with people interested in growing food at home. Limborough garden will be open as a sharing point to bring and swap extra plants with the community.

COMMUNITY SHARING GARDENING

LOCAL FOOD AMPLIFYING THE GROWING NETWORK

HOW IT WORKS

Bring your own plants or **seeds to share**.

Get **free seedlings** grown by our Keep Growing Champions. Meet the **growers' community**.

Free gardening workshops and snacks will be available during the day. Please note that there are no accessibility toilets on site.

To keep us all COVID safe, there are limited spaces, so please make sure you book your ticket on Eventbrite before the event.

If you can't attend the event, we warmly recommend that you organise your own swap with neighbours and friends, tag us on socials using **@wen_uk** and the hashtag **#KeepGrowing**
