

Equal opportunities recruitment monitoring

Post title:	PACCT Co-ordinator
--------------------	--------------------

Wen is striving to ensure equality of opportunity in its employment policies and therefore we have decided to monitor our recruitment practices, asking applicants to complete this form. This will help us identify areas of under representation and to assess those areas where positive action is needed.

Taking the time to complete this form is greatly appreciated. We must stress that any information you give will be strictly confidential. The form will not carry your name and we will separate them from your application form when submitted. You are not obliged to answer the questions but please appreciate that, for our monitoring policy to be wholly effective, we would hope to have 100% response.

If you do not wish to answer any question(s), this will not affect your application in any way. Thank you. As always, feedback is welcomed on how this form can be improved.
